

The Demo Must Go On

Coffee Cat-astrophe

Early morning, last-minute prep for the big demo.

Just a few more tweaks...

A furry blur, then a splash. My heart stopped.

Oh no! Not now, Mittens!

Panic set in. The demo was in T-minus 10 minutes.

Is it dead? Is my whole career over?

Against all odds, the demo went off without a hitch.

And that concludes our presentation. Thank
